- French
- English

UNIVERSITY

Film Production

Concordia University (2006)

DIGITAL NOMAD

Travelling and working at the same time (2015-2018)

<https://globecodeur.com>

OVERVIEW

Senior Web Developer with over 15 years of experience. Recently lead of a team of 8 Web developers at BKOM Studios. From 2007 to 2021, I owned Studio OL, a company in the field of multimedia and Web development.

I wish to contribute, within a dynamic and innovative team, with my knowledge of programming, project management and training. I have a strong interest in projects revolving around decentralized finance and blockchain technologies.

ONE HUNDRED WEB PROJECTS COMPLETED

- **Winkyverse** - Web3 platform with a custom NFTs shop and a bridge to transfer tokens between BSC/ETH - <https://winkyverse.io> (2022)
- **Run The Court** - Presentation site for a video game that includes monetization via NFTs. - <https://www.runthecourtgame.com> (2022)
- **Intranet du CISSS de la Montérégie-Ouest** - An intranet and extranet accessible to more than 10,000 employees (2019)
- **La CCHM** - E-commerce website for a community organization in the food sector - <https://lacchm.com> (2018)
- **VolteFace** - Website for a TV show on Explora, nominated for the Prix Numix and the Prix Gémeaux (2015)

TRAINING GIVEN
